## C. Dean's List

The Dean's List honors those full-time students in Arts and Social Work who in the previous academic year (September to April) achieve a grade point average of 3.0 or better on a minimum of 30 credit hours.

## D. University Medal

The University Medal is the highest award conferred by the University itself. The medal is the most prestigious honor bestowed by the University of Toronto, and is awarded to the student who has achieved the highest academic distinction in the Faculty of Arts and Social Sciences. The student must have completed the requirements for the Bachelor of Arts or Bachelor of Science degree with a minimum cumulative grade point average of 3.8. The selection of the medalist is made by the Faculty of Arts and Social Sciences on the recommendation of the Dean.
